

**NOVEMBER 2nd & 3rd 2024**  
**AREA ASSEMBLY - BORGER**

IN THE CONVENTION CENTER AT THE DOME

1113 BULLDOG BLVD

Borger has contractors come to town often. When they do, it is hard, almost impossible, to get a room anywhere. I suggest getting a room reserved **NOW!!!!**

**ROOMS**

The Ambassador Inn has given us a rate of \$65 a night for 2 beds. 806-273-6000. Use code Area 66 and be sure they know it is for Nov 1<sup>st</sup> and 2<sup>nd</sup>. You will need to put the room in your name and give a credit card for a deposit on the room. It's about 5 miles from the Dome.

There are also other close hotels, The Best Western, The Holiday Inn Express and the Hampton Inn but they are well over \$100 a night. There are a few cheaper motels, but I don't recommend them.

**FOOD**

The Dome is right off of Cedar Street which has lots of fast-food places to eat.

We also have a good Tex-Mex restaurant, The Plaza, a BBQ joint, Hipshots, an Italian restaurant, Roma's and a buffet or order off the menu, China Dynasty. We actually also have a Bennigan's. As with everything else the prices are a little high.

There is a dive bar restaurant called Shannon's that has the best burger and chicken fried steak around for a good price if you don't mind the dirty greasy spoon atmosphere. Wes R. and I will definitely be having lunch there!

Shannon's (not open Sunday) and another BBQ joint, Holy Smokes have good tasting breakfasts at a decent price. And yes, we now have a Starbucks!
